EPSOM & EWELL BOROUGH COUNCIL

TAKE A NEW LOOK AT EPSOM'S HISTORIC MARKETS

First granted by Royal Charter in 1685, Epsom Market has been a defining focal point for this bustling historic town for hundreds of years.

Our regular market offers a wide variety of locally sourced produce from independent traders selling seasonal fruit and vegetables, fresh bread, butchery, free range eggs, flowers, jewellery, fashions and much more.

If you own a small business, taking a pitch on Epsom Market is a great place to start!

Surrounded by bars, cafés and independent shops, Epsom Market attracts a large number of customers every week.

The Market is well served by a number of local bus routes and Epsom Railway Station is a stone's throw away. There's also plenty of Parking available in the Ashley Centre.

Our latest improvement works have included a significant upgrade to enhance both the visitor and trader experience – come and see for yourself.
